Re: **MJ Golf Classic/CureSearch Walk** – Donation Request

Dear Friend of MJ Golf Classic and CureSearch,

We are seeking your support as an auction donor for the **MJ Golf Classic (MJGC)** to benefit **CureSearch for Children's Cancer**. This event will be held on **April 19-21, 2012** at the DFW Marriott Hotel and Golf Club at Champions Circle. Our Casino Night with live and silent auctions will be on **April 20, 2012** from 7:00-10:00pm at Texas Motor Speedway Car Garage and we are expecting over 300 attendees. Proceeds from the item(s) and/or service(s) that you donate to the casino night will directly benefit **CureSearch** and their commitment to eradicate childhood cancer.

Nearly 13,500 children and adolescents are diagnosed with cancer each year, and **cancer is the leading cause of death** by disease in children. CureSearch for Children's Cancer is a national non-profit foundation which raises funds to support children's cancer research. CureSearch funds both collaborative clinical trials conducted by the Children's Oncology Group at more than 180 hospitals across the nation as well as translational research aimed at turning laboratory findings into new therapies, young investigators and resources for patients and families. To learn more please visit www.curesearch.org.

The MJGC was established in 2001 to raise much needed funds for children's cancer research through a network of family, friends and business relationships. Today, the event is a family-friendly weekend filled with several rounds of golf, the annual DFW CureSearch walk, the Texas Motor Speedway Driving Experience, Texas Hold Em' poker tournament, softball tournament/home run derby and live and silent auctions.

CureSearch is a 501(c)(3) entity; your donation is tax deductible to the extent allowed by law. Our tax ID number is 95-4132414.

We thank you in advance for your support. Please visit our website at: <http://www.mjgolfclassic.com> for more event information.

Sincerely,

A handwritten signature in black ink that reads 'Julia Juo'.
